Refreshment

For improving the overall academic performance of students, parent's-teacher meet plays an important role and will help the parents to know about their wards academic performance and their problems. Through this Parents meet, parents come to know the behavior of their wards as well. As we observed, these days' teacher and parents do not come in contact with each other frequently, due to this, the Department of Mechanical Engineering of MET's Institute of Technology-Polytechnic, Nashik arranged a Parents-Teacher Meet on Saturday, **09th November 2024**. The Programme was nicely coordinated by Prof. S A Mandore, Prof. V E Kothawade, Prof. N O Warbhe, Prof. V B Kalmegh, Prof. K G Deshpande, Mr. S S Chaudhari, S B Kuldhar, and the entire staff of the mechanical department.

Chief Coordinator: Prof. A P Vadnere

Convener: Dr. R S Narkhede
