

Workshop Report

Topic : Personality Development and Resume Building

MET'S Institute of D.Pharmacy successfully organized a comprehensive workshop on 'Personality Development and Resume Building' for third and fourth year B.Pharmacy students. The event aimed to guide students with essential skills to enhance their personal and professional growth, ensuring they are well-prepared to enter the competitive job market.

The workshop featured a expert session focusing on key topics such as effective communication, time management, building a positive attitude, and strategies for resume writing. The sessions were designed to give students practical tools that can be immediately applied to their academic and professional lives.

Guest: Mr. Shekhar Patil
(Senior Associate Data Manager- Pfizer
Trainer- Personality Development)

Response of students:

All the students actively participated. The event was met with positive feedback from the students, many of whom expressed their gratitude for the valuable insights gained. The workshop has undoubtedly provided the students with the tools and knowledge they need to succeed in their future careers. Overall response of students was nice.
